## SCENARIO 1: One Organisation (or >1 small Organisations) wish to have 1 Tournament where teams compete against each other

Primary Coordinator registers Organisation A

*Include Department/Work area in Org Name*

Additional Coordinators signup as a Participant and are added to Organisation A by the Primary Coordinator

Organisation A creates a Tournament (T1)\*

Teams and Participants added to T1\*\*

**T1**

**ORGANISATION A**

Team 1  
Team 2  
Team 3

All T1 teams on 1 leaderboard and in 1 team statistics download

### DID YOU KNOW?

*The only way to see how many steps participants in your Organisation have taken is to run a team Tournament.*

## SCENARIO 2: Groups in a large Organisation wish to run separate Tournaments with their different Departments/work areas

Primary Coordinator registers for Organisation A

*Include Department/Work area in Org Name*

Additional Coordinators signup as a Participant and are added to Organisation A by the Primary Coordinator

Organisation A creates a Tournament (T1)\*

Teams and Participants added to T1\*\*

**T1**

**ORGANISATION A**

Team 1  
Team 2  
Team 3

All T1 teams on 1 leaderboard and in 1 team statistics download

These two Tournaments are run solo.

Coordinators and Participants cannot see the other Tournament.

Some organisations who wish to compete against each other use this setup and then share weekly updates using screenshots of the Leaderboards.

Primary Coordinator registers for Organisation B

*Include Department/Work area in Org Name*

Additional Coordinators signup as a Participant and are added to Organisation A by the Primary Coordinator

Organisation B creates a Tournament (T2)\*

Teams and Participants added to T2\*\*

**T2**

**ORGANISATION B**
