

10,000 Steps Monthly Challenges

Challenge yourself and Australia in our public Monthly Challenges!

Join us this month on a new journey!

How many steps have you done today?

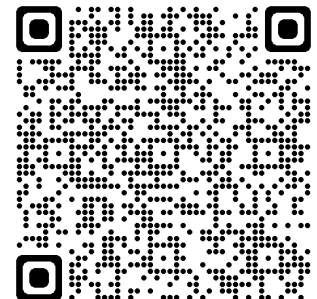

Whether it's taking the stairs instead of the lift, parking the car further away (or leaving it at home completely) or setting a timer every hour to move – look for opportunities to sneak in some extra steps to help hit your goals.

Make your move count every month with 10,000 Steps!

Each month, members who complete their chosen virtual walking journey will go in the draw to **win a pair of ASICS shoes or Garmin watch!**

Scan the code to choose from four virtual walking journeys

Whether you are walking, wheeling, or dancing, every move counts and every challenge completed gives you an entry into the prize draw.
